

SPECIFICATION AMENDMENTS

Please amend page 7, first two paragraphs to read as follows:

-- A system and method for collecting vehicle fees wherein one or more unique I.D. code means, **FIG.1,1,2,3,4,5**, and **6** are aligned so that the unique information can be easily captured and/or recorded by a scanning or other type of information collecting device, as in **FIG.2**. The information capturing device **1 1'**, **FIG.2**, is strategically placed. It may also be in a fixed or mobile position **2 2'**.

FIG.3 is a suggested use of the instant invention wherein a scooter **1 1"** is fixed with I.D. code capturing equipment **2 2"**, wherein the captured data is disseminated by scooter equipment or communicated by known means to a central database for review. -
